

## Access to WeLearn365 Learning Portal

The WeLearn365 Learning Portal will provide a vital channel of communication to your child's teacher, as well as access to a wide range of learning resources. Below is a step by step guide to access your child's WeLearn365 learning portal. They will need their **username** and **password** to access this. They should have been given this by their class teacher.

### Step 1:

Please go onto your preferred search engine and type in 'welearn365' and press enter.

Please click on the first result titled 'WeLearn365 Home Page'.

### Step 2:

On the next page you need to find the 'Sydenham Primary School' link from the drop down menu and click on 'go'.

**It will then ask you for the login details. Your child should already know their login details, however their class teacher will confirm it over the next few days.**

[Self-service Password Portal](#)

### Step 3:

You are now logged into the school's WeLearn365 portal.

From here you can access your emails by clicking on this link.

## Access to Purple Mash

Purple Mash is a fantastic learning resource that can be found through your child's WeLearn365 learning portal. Your child's teacher may set your child tasks to complete, so please ensure that your child is checking every day.

### Step 1:

If your child needs to access 'Purple Mash' for their learning please click on the link titled 'resources'.

## Resources

### Step 2:

On the resources page, you will find many educational platforms that your child can access, including 'Purple Mash'.

This resource may be used by your class teacher and your child will be able to access this by clicking on the link.

Clicking the images below will link you to other resources available to support your learning. Some of them may require you to type in different username and password. If so, these usernames and passwords are shown below.

### Step 3:

If your child has been set work from their class teacher, they will be able to find it by clicking on the '2dos' tab.

There is also a wide range of activities and games that your child can explore freely.

## Access to Discovery Education Espresso

Discovery Education offers a range of services and opportunities for schools to meet the needs of students in the digital age. It also includes award-winning digital content, interactive lessons and virtual experiences. Your child's teacher may set you work through Discovery Education Espresso, however your child is welcome to explore all that this website has to offer!

Step 1:

Please go to the website: [www.discoveryeducation.co.uk](http://www.discoveryeducation.co.uk).

Click on 'Login', which is located in the **top right** of the screen

Click on 'Espresso'.

Espresso username	password	LOGIN
-------------------	----------	-------

Step 2:

This bar will appear at the top of your screen. Please enter the following details:

**Username:** student29728

**Password:** Sydenham

(Please note that these details **are case sensitive**)

Step 3:

Now you are logged into Discovery Education Espresso!

From here you can access a range of learning texts, videos, games and activities. Your child's teacher may provide specific learning resources from this website, however your child is free to explore at their leisure.
