At the end of the day, the whole school gathred in the hall for a "Wild Rumpus." Pupils had great fun becoming wild things! After the Runpus, the children froze in these fantastic positions:

Japanese Visitors

We were joined on World Book Day by six trainee teachers from Bunkyo University in Japan. Our visitors observed in class then, in the afternoon, told the traditional Japanese tale of "Kasa

Jizo" in English and Japanese. Pupils were

fascinated.

The story was about the child god Kasa Jizo who brings good look at New Year.

76 Class Assembly Gender Equality

On Tuesday, Year 6 presented an assembly they had researched and written themselves, exploring the topic of gender equality. Lots of interesting facts and opinions were shared. Well done everyone for such a though provoking presentation.

For those of you interested in this topic watch out for March 8th when it is International Women's Day.

Staff News

We warmly welcomed Miss Challand back to school this week following her period of maternity leave. Miss Challand will be working in school every Monday, Tuesday and Wednesday.

Over the half-term holiday, Miss Jones was married to her partner. Her new name is Mrs Christensen. Congratulations to the happy couple!

Sponsored Read

If your child participated in the sponsored read, please remember to drop off your sponsorship money at the school office. Many thanks.

Viking Day at Sydenham!

On Wednesday, Y3 had a fantastic time with Olaf the Viking who taught us lots of exciting facts about the Vikings! We learnt all about Viking life and enjoyed listening to sagas about the many Viking Gods. We even fought in a Viking battle against the Anglo-Saxons!

Y5 Homelearning The First World War

We are often impressed by the homelearning completed by pupils. This week, however, our amazement was taken to new heights by the above model of a World War One trench—made from chocolate cake!

Our expert, Year 5 cake-maker is Evie who always likes to take a creative approach to homelearning tasks. Her model is an accurate historical reproduction of a First World War trench, complete with first aid station, ammunition boxes, wooden planks and sand bags.

If you are wondering why there are some parts of the model missing, that's because Evie kindly donated her homelearning to the teachers who were more than happy to eat it with a cup of tea at break time!

Thank you and well done!

New Cookery Club

On Monday, Andrew Bailey from Bayleaf Cookery School gave a cookery demonstration in assembly. Andrew, assisted by his two helpers, showed pupils how to make a delicious cheese cake using raw ingredients.

Bayleaf are running a cookery club in school every Wednesday after the Easter holidays. A letter about this was sent home with all children earlier on in the week. A copy is on the next page if you would like your child to attend—please note that there are only 15 spaces available.

The Book Bus is coming...

Instead of our usual book fair, this year we are hosting The Book Bus. The bus is a travelling shop which sells cut price, quality books for all the family. It will be with us for two days on Wednesday 14th March and Thursday 15th March.

If you would like your child to visit the bus and purchase a book, there are two options:

- Take your child on to the bus during their class slot (see below.) Before boarding the bus, please sign in at the office and staff will bring your child to you.
- Visit the bus with your child before or after school. (Please be aware that the bus may be crowded at these times.)

Please note that children are only allowed on to the bus with their parent/carer. This is because we are aware that family budgets may be tight and not everyone has the spare money to buy a book. We are keen to avoid upsetting children by showing them books that their families cannot afford.
