

# Y4 Class Assembly Caring for the Environment

Ofsted  
Outstanding  
2010/2011

Both Y4 classes joined forces on Tuesday to present an assembly about caring for the environment. Pupils spoke eloquently about the importance of the "3 R's" - reducing, re-using and recycling our waste. Their strong views about global warming and animal extinction were very powerful as was their fantastic singing. Well done to everybody involved in the performance.

Everybody enjoyed raising money for Soccer Aid today and great fun was had carrying, kicking or bouncing a ball around the obstacle course set up in school by our PE Coordinator, Mr Lee. We even had a visit from one of our school governors, Mr Naylor, who also tried his hand at the obstacle course! School will donate all the 50p's brought in by children wearing non-uniform or a football shirt to Unicef's Soccer Aid project and we are sure this money will help to make a big difference to the lives of vulnerable and disadvantaged families around the world.

# Cultural Diversity Day

As part of The United Nations World Cultural Diversity Day , Aryana's family visited Reception to tell the children what life in their native Kurdistan is like.

Mum (Nasreen) and Dad (Reyad) shared some fascinating photographs and information about Kurdish culture and customs. They also brought some delicious home made treats for the children to share and Reyad played the tambour whilst the children enjoyed trying out traditional Kurdish dancing.

At Sydenham we love the fact that everybody is different and unique so it was wonderful to welcome Nasreen and Reyad in to school.

Diversity activities in other classes included learning about the Christian parable of The Lost Sheep, the Five Pillars of Islam and why festivals are important to different religious communities.

# Healthy Eating

Congratulations to the children who won our competition to design a healthy school meal. The winners were picked by Educaterers (the school meals' company) who also donated wonderful prizes of a red chef's apron and a copy of Roald Dahl's "Revoltig Recipes."

Philippa and Julie from Educaterers were very impressed with the many high quality competition entries. We look forward to tasting the winning entries when they are cooked by Ann, our school chef.

# Handwriting Superstar

Well done to Sienna who has worked incredibly hard on her handwriting this year. The progress she has made is clear from the photographs below which show her handwriting in September 2017 and May 2018. Fantastic!

# Cook for Syria

On Monday, staff organised a “Cook for Syria” event. Teachers and teaching assistants each chose a different dish to make from Unicef’s Syrian cook book (pictured above.) Staff then enjoyed getting together to socialise and sample the dishes which were delicious! All proceeds from the sale of the “Cook for Syria” cook book go to support the work of Unicef.
