

Y3 JM Class Assembly

Y3 JM presented a lovely assembly this week based upon their learning in Literacy. The children acted out "The Tunnel" by Anthony Browne—a story about a brother and sister who go through a tunnel and have an adventure that brings them much closer together.

Well done to all the children—you sang beautifully, spoke clearly and acted like professionals! Thank you to Miss Martin and Mr Tracy for organising the assembly and to the parents/carers who came along to watch

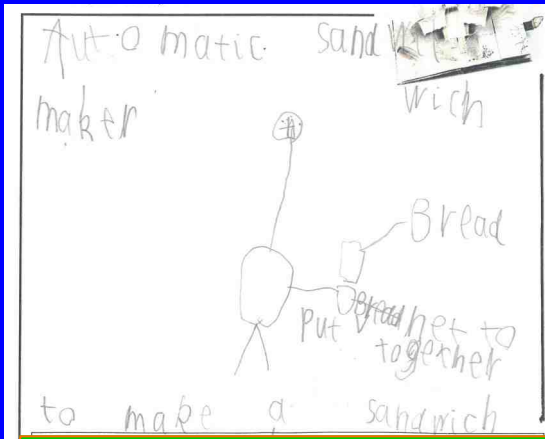

Science Competition

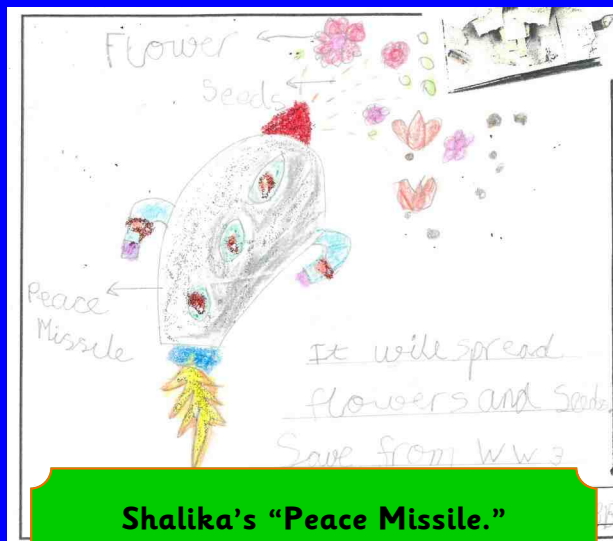

Well done to the many children who entered our Science competition. The challenge was to invent something which might be in use 400 years in the future and we had lots of fabulous entries. Here are some of the children's designs:

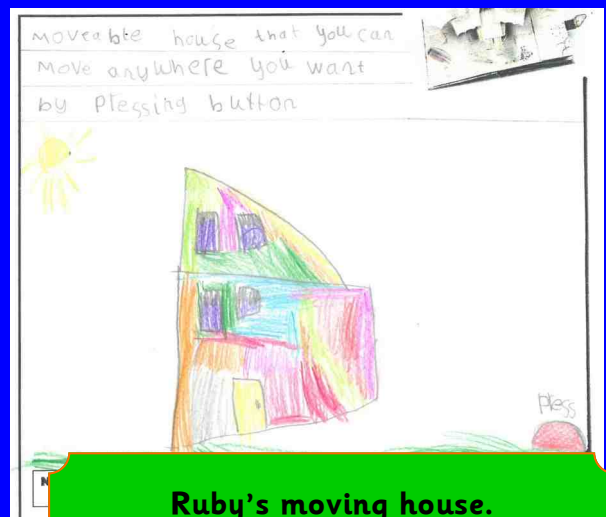

Alf's automatic sandwich maker.

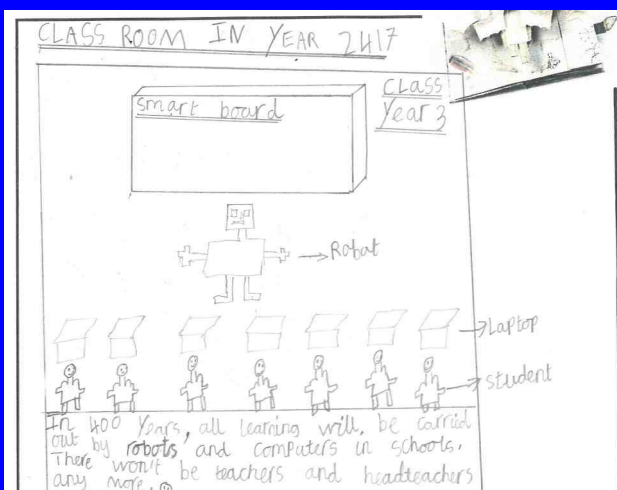

Nadia's flying shoes (Miss Glenney wants a pair of these to add to her collection!)

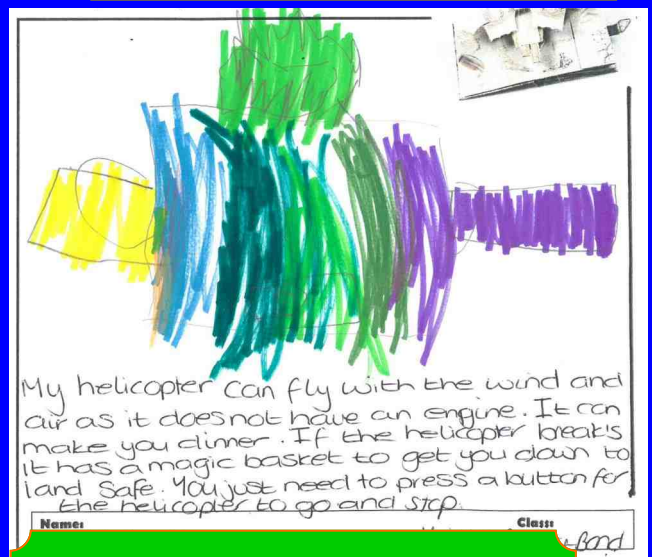

Shalika's "Peace Missile."

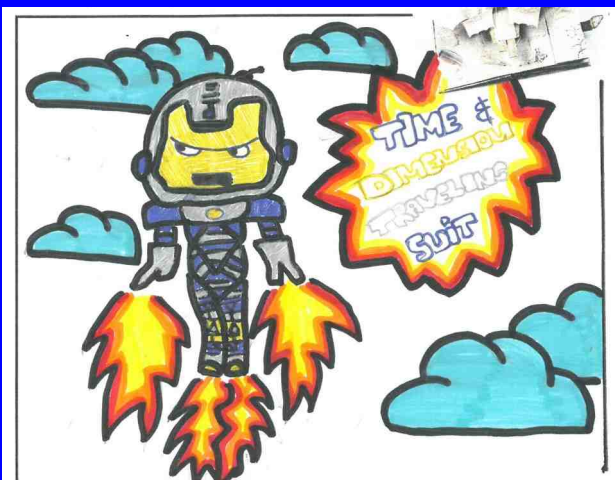

Ruby's moving house.

Sarvesh's robot classroom (looks like the teachers are all out of a job!)

Noah's magic helicopter.

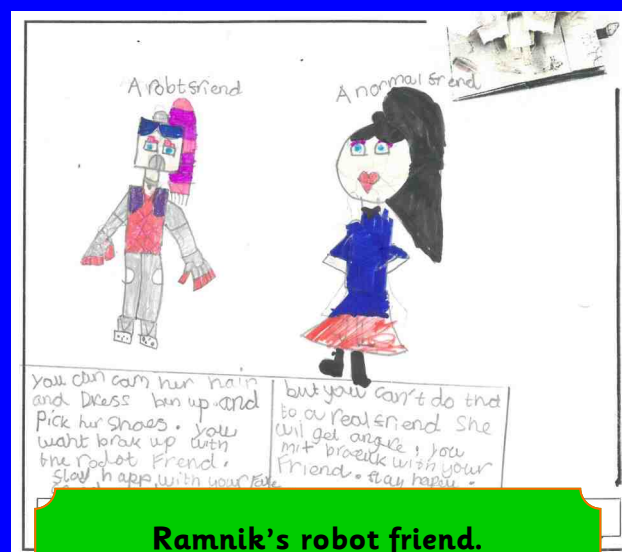

Rocky's time dimension travelling suit.

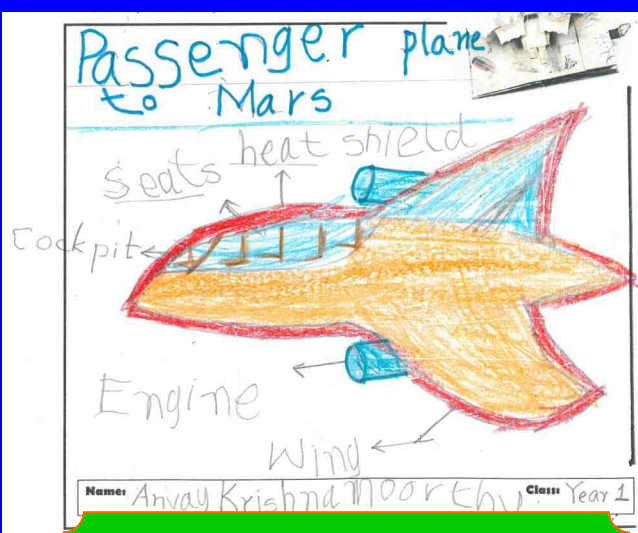

Jack's solar powered car.

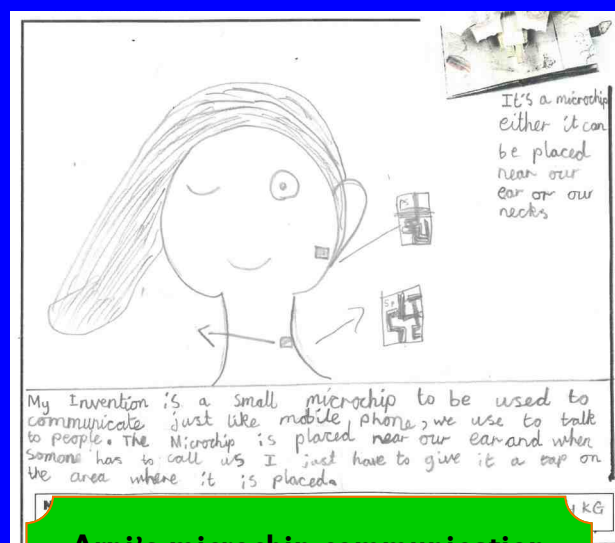

Alicja's "house seeds."

Ramnik's robot friend.

Anvay's passenger plane to Mars.

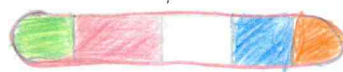

Arni's microchip communication device.

And the winners are...

Belle's zapper gun to cure illness.

Super Food Capsule -

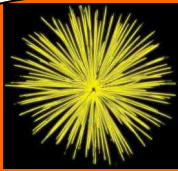

Vitamins - Protein - Calcium - Iron -
Carbohydrates - Fats

Why waste playtime in eating? A single capsule can replace all our meals. And it can come in many yummy flavours! It will save all moms' time and efforts of cooking and buying grocery and veggies. And also it will save wastage of food.

Saanvi's super food capsule

Diwali in YR

In class, Reception have been learning the story of Diwali. On Tuesday, the children had great fun re-telling the tale. As you can see, they really enjoyed acting as Rama, Sita, Hanuman and Rawan.

Once upon a time there lived a handsome prince called Rama and a beautiful princess called Sita. One day, they were sent to live in the forest by their wicked stepmother. Whilst they were in the forest, a wicked demon king called Rawan came and took Sita away to a place far away. Rawan had ten heads and twenty arms! Sita dropped some jewels on the ground to make a trail for Rama to follow. Rama followed Sita's jewels and a monkey god called Hanuman came to help him. Hanuman had special powers and could fly over mountains. Hanuman found Sita in Rawan's garden where she couldn't get out. Rama and Hanuman had a big fight with Rawan and Rama shot an arrow in to Rawan's heart.

In the end, Rama and Sita found their way home in the dark by following lots of candles. When they got home, there was a big party and that is why we celebrate Diwali.

Football Fixture

Our school football team played a home fixture against Milverton Primary on Monday. Although the Sydenham team played really well, sadly we didn't win the match. Well done to all of our players and to Mr Lee and Mr Hawes who organised the fixture.

Parking

Irresponsible and illegal parking by parents/carers before and after school is still a cause for concern within our school and the wider community. We are currently working with our local MP, the District Council and Warwickshire Constabulary to find solutions to the problem and the police are now issuing warning notices and tickets to vehicles which are parked in a way that breaches the law.

Despite our best efforts, the fact remains that there simply is not enough physical space for everybody to park in Calder Walk. With this in mind we would urge families to:

- Walk, scoot or cycle to and from school whenever possible.
- Car share.
- Park further away from the premises and then walk from the car to school.
- Think carefully about the safety of our school community when parking.
- Be considerate towards the needs of local residents by not blocking driveways and pavements.

School is doing everything it can to improve the parking situation but ultimately it is the responsibility of parents/carers to park safely and within the law.

Thank you in anticipation of your support in this important matter.

Hello Play!

Hello Play! is a group for children and families who don't have English as a first language. In this session we like to:

***Have fun**

***Play games**

***Sing**

***Listen to stories**

***Meet our friends**

Every Friday 9.30-11.00 at the Sydni Centre – Cottage Square, Sydenham, CV31 1PT, 01926 422071

**Smart
Start**

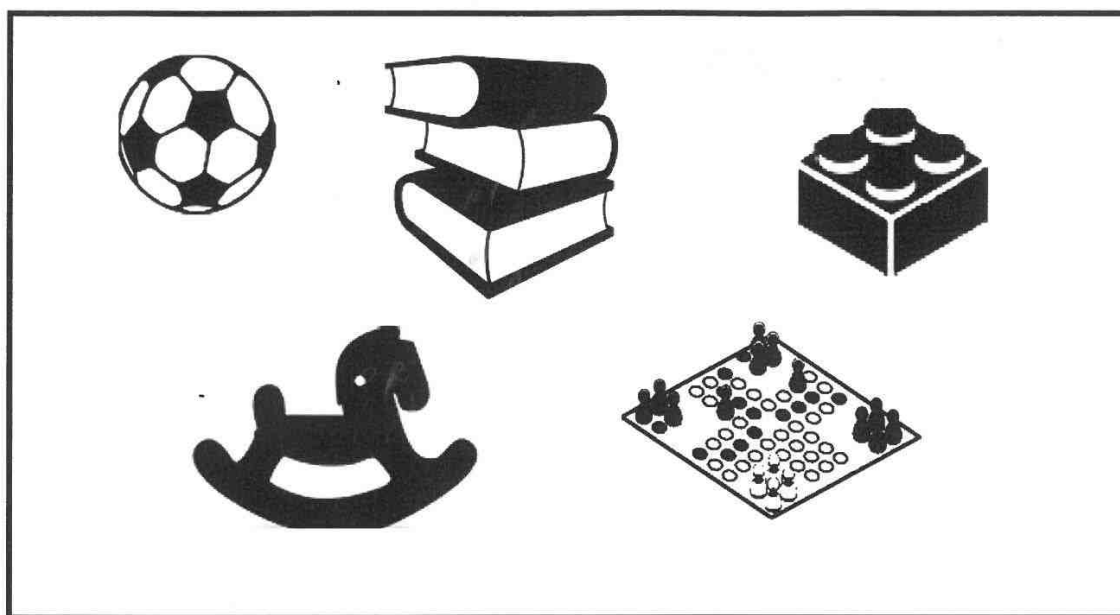

Giving Westchester's children the best start in life

**Sydenham
Children's
Centre**

**Believe in
children
Barnardo's**
