

# York Waits Concert

This week got off to an exciting start with a concert for Key Stage Two performed by musical group, York Waits. Pupils listened to a range of historical, musical instruments played by Tim and Lizzie from the group. Favourite instruments included the crumhorn, the hurdy-gurdy and the bagpipes. Pupils were fascinated by the unusual sounds made by many of the instruments and enjoyed hearing a range of different musical pieces.

# Shakespeare Week

Across the school, pupils have been enjoying a range of lessons and activities based on Shakespeare's play, "The Comedy of Errors." The Royal Shakespeare Company will be in school next Monday to perform the play to Years Three, Four and Five and some of our pupils (RSC Ambassadors) will be part of the show. Here you can see our RSC Ambassadors in action as well as Y5 CB exploring which character (Luciana or Antipholus) has the 'upper hand' or the most power in "The Comedy of Errors."

# Harvest Assembly

We were thrilled to welcome Becky, the new vicar at St Mary's church, to our special Harvest assemblies on Thursday. Becky thoroughly enjoyed her first introduction to Sydenham and praised the lovely singing and good behaviour of pupils. Becky spoke to the children about the significance of Harvest and explained that their kind donations of food will go to the church's food bank, from where they will be distributed to local families in temporary need of help. We look forward to seeing Becky back in school after half-term.

# Y2 Trip to the Motor Museum

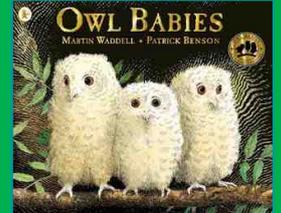

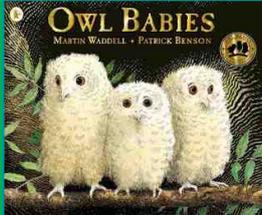

Year Two had a fabulous trip to The Motor Museum this week as part of their topic on Transport Through The Ages. The children enjoyed a fantastic Science based workshop and a tour of the museum. They particularly liked riding on an old fashioned bus manned by a bus conductor.

# YR Owl Babies

**Oh no! Owl baby , Bill, has been lost and Reception need to find him!**

Reception pupils have been reading the book “Owl Babies” by Martin Waddell. In the story, three baby owls wake up one night to find that their mother has gone! Reception are exploring their own version of the story in which one of the owlets, Bill, goes missing. Pupils have been speculating where Bill might have gone and suggested that he could be at ASDA, hiding in one of the trees or bushes. On Wednesday and Thursday, pupils went ASDA to see if they could find Bill. Despite searching high and low, he was nowhere to be seen... Next week, a policeman is visiting Reception to take an official missing report. Let’s hope Bill is found safe and well.

# Y2 Author Visit

Year Two were visited by author, Alina Crisan, earlier on this week. Alina introduced the children to the character of Professor Broccoli and then read a story about his ABC adventure at the zoo. The story featured lots of alliteration (words that start with the same sound.) Children learnt lots of new vocabulary and had fun making up their own sentences containing alliteration.

# Y3 Stone Age Survival Guides

*Imagine... You have just woken up in the middle of nowhere nearly 1 million years ago! You are tired, freezing, hungry and thirsty! What would you do first?*

Year 3 were challenged by their teachers to answer this question for homelearning by creating a survival guide for the Stone Age. Some pupils wrote instructions, top tips or reports. Others, chose to make a survival video as you can see from the images below. We loved the fact that some pupils went out in to the wild to demonstrate their survival skills whilst others made their shelters at home.

PS: We love the Stone Age dog!

# Building Work

**You should have received the following email from Miss Glenny, this week:**

Dear Parents/Carers,

I am writing to give you advanced notification that building work will be taking place on the school site between Monday 29th October 2018 and Friday 14th December 2018. Contractors will be working on behalf of the Local Authority in the building previously designated as The Children's Centre. There are no works taking place directly in school.

As you can imagine, due to the building work there will inevitably be some minor disruption to you during drop off and pick up. We have taken precautions to minimise this but please note that the side gate will be closed for the duration of the works for health and safety reasons. This will mean all parents/carers will need use the main school gates when accessing the site so there will unfortunately be added congestion. With this in mind, please show your usual consideration to fellow parents/carers and consider allowing a little more time for dropping off and picking up.

Please note that all contractors on site will have up to date DBS checks. They are not allowed to smoke, vape or listen to the radio whilst at work so please notify the office if you see anybody contravening these rules. In order to keep families safe at the start and end of the school day, we have also stipulated that there should be no deliveries to the building site compound between 8.30 and 9.30 am and 2.45 and 3.45pm.

Mrs Westwood will be attending fortnightly steering group meetings with the contractors and we will update you as necessary.

Yours sincerely

Carol Glenny
