Choice of Fruit Juice Cordial/Organic Milk/

Milkshake/Ice Cold Water

KS1 Tests

Over the next two weeks, children in Year Two will take their Key Stage One SAT's. Pupils will be tested on reading and mathematics. There is no test for writing—Miss Styles and Mrs Rowan Lancaster will make an assessment based on pieces of independent writing completed in class by each child this academic year. There is also an optional test for grammar, punctuation and spelling.

Children have two weeks to complete their tests. We try to make this process as stress free as possible by administering the tests to children in small groups and offering comfort breaks including snacks and drinks, as necessary. Pupils do NOT take the tests in the hall (as they do in Y6.) Rather, they will work in a classroom which we feel is a much less threatening environment. Pupils do not need to do any extra work at home as they have all been well prepared for the tests in school. However, as always, we do encourage a sensible bedtime and healthy breakfast to ensure children can concentrate on their learning.

KS1 and KS2 test results and teacher assessments will be published in your child's end of year school report which you will receive in July.

Good luck Year Two!

Pictures of the Week

It's all about balance! Year Two are taken through their paces by Miss Whitehead in PE on Tuesday.

A SUMMER OF CREATIVE COMPUTING & RISKY ROBOTS

ICTDS SUMMER SCHOOL 2017

Great value

£119

for 3 full days

Monday 21st August to Wednesday 23rd August 2017

Are you ready for a summer of creative computing and some risky robots?

Our three day summer school is a brilliant way of getting into the exciting world of drones and robotics whilst having great fun! You will program drones, build and race LEGO creations, interact with NAO the humanoid robot, make music and produce your own movie! Your three days will be jam packed with lots of hands-on activities and challenges. Whether you are a beginner or a computing expert there will be something for you.

Over the three days, you will:

-  Interact with the NAO humanoid robots
-  Build and program robots with LEGO Education WeDo 2 and Mindstorms EV3
-  Program air and ground drones to complete a range of challenges
-  Rock it with the Risky Robots Garage Band!
-  Make your own 'B' Movie!!

To book or for further information, please visit www.ictds.org or use the QR code below.

*Please note that the date of The Big Sleepover is yet to be confirmed. In addition, due to the growing size of our school, we are only able to run this event for pupils in Y3 this year. This is to safeguard the safety of pupils and ensure that we have adequate staffing to manage the event to our usual high standards.

Sydenham Super Stars!

Well done Year 6!
You have all worked so hard
this week!

Congratulations to all of Year 6!

Sydenham Super Stars!

Congratulations to all of this week's KS2 Sydenham Super Stars!

Have a fantastic weekend!
Best wishes
from Miss Glenny (Associate Headteacher)
