## Looking at Learning ~ Year 1CG Visitor from Uganda

Monday 15th December 2014

L.O. I am learning that I belong to Sydenham Primary School and this is very different from schools in Uganda.

Skill: I am learning to listen to a visitor and to ask questions to extend my understanding.

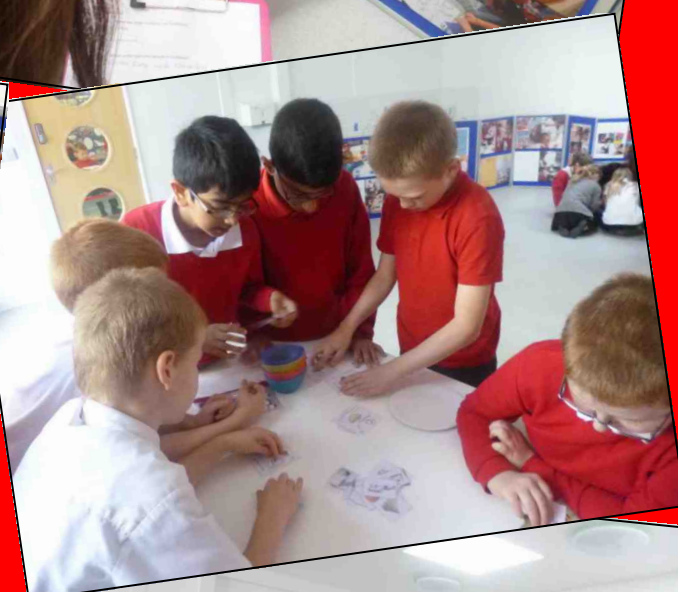

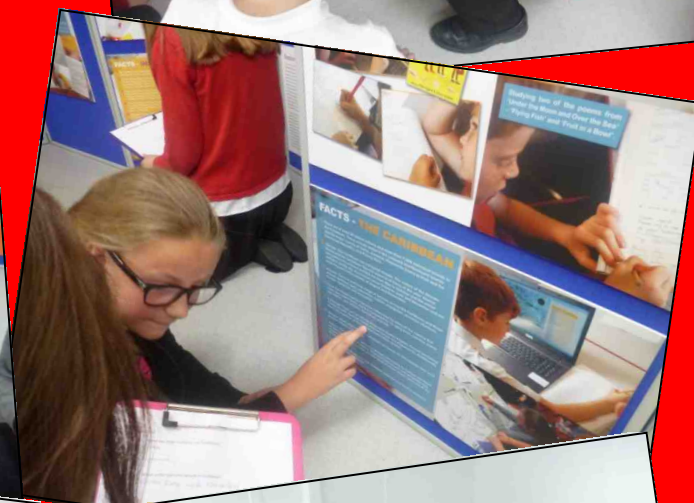

Mrs. Goodwin came to visit CG class to tell us about her work in Uganda. In her holidays she helps young children living in an orphanage in Entebbe, Uganda. We discussed how life is different in Uganda compared to the UK.
