Sporting Heroes

We are very proud of three of our pupils who went through to the district finals of the Field Events at Edmonscote Sports' Track. This time they were competing against all the children who had come first in their area sport. Suvraaj in year 4 came fourth in the throwing, Jordan in year 6 came 3rd in the Long Jump and Aras in year 6 came 1st

Year R and years 1 and 2 trips

Please remember that children will need packed lunches, water bottles, sun cream and hats or waterproofs for their trips. (Check the weatherforecast!).

Best wishes

Kip on a Ship 24th/25th June 2014 by Year 5 pupils

On Tuesday year 5 went on an exciting residential trip to stay on board HMS Belfast moored on the River Thames in London.

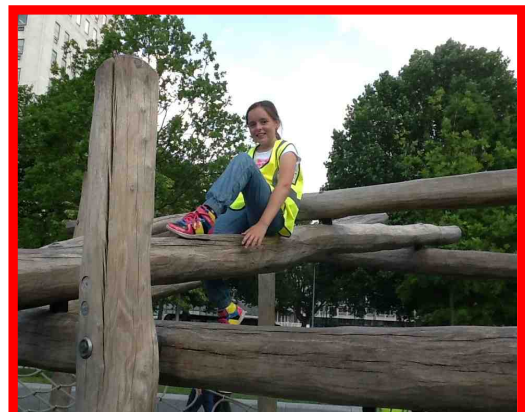

H.M.S Belfast is a warship. The ship H.M.S Belfast stands for Her Majesty's Ship Belfast. Even though she has guns/weapons she was not built to fight in the wars. However, her purpose was to defend and protect the ships transporting food to Russia.

After putting their belongings on board ship year 5 went to explore London. They took the tube to Westminster had had a close up of Big Ben and the houses of Parliament. Y5 also went to Trafalgar Square where they saw a blue chicken, 4 lions and 4 floating men (Yoda, Shrek, Golem and a Alien) They also went into the National Gallery and saw our take one picture painting of St. Michel triumphant over the Devil by Bartolome Bermejo.

The children went on the London Eye and looked over the whole of London. Next they went to watch a 4D experience (movie) there was water and bubbles sprayed on them. Then Year 5 went to the park and had a lot of fun.

They went to Pizza Express for dinner. They had Cola or Sprite to drink, pizza for dinner and ice cream for pudding.

On Wednesday they had a lesson about life aboard ship and then went and looked around the ship. That's where they met Tim, who they had learned about in the lesson. Tim used to work in the boiler room on the ship. He visits once a week to talk to visitors. Tim said it was not a very nice job but he says if no one did it then the ship would not move and that would not be good.

The children learnt that during the war the ship had hit a mine and then it was re-built. Sailors slept in comfy hammocks but that changed later to bunk beds and they were not that happy at all.

Here are some of the land marks they saw: Big Ben, Houses of Parliament, The Shard, London Bridge, Tower Bridge, The Gherkin and lots more.
