All 2016 data is **PROVISIONAL** and may be subject to change

Source: Unvalidated KS2 data – From NCA Tools website as at 5th July 2016

1 Ofsted Inspection Grade and Date are the latest ones known to the Local Authority as at 31st July 2016

2 A school was defined as being below the floor in 2015 if a) fewer than 65% of pupils at the end of KS2 achieved level 4 or above in reading, writing and mathematics and b) the school was below the national median for expected progress in each of reading, writing and maths

3 A school is defined as being at risk of Coasting in 2016 if a) in 2014 and 2015 it had fewer than 85% of pupils achieving level 4 in reading, writing and mathematics and b) was below the median percentage of pupils making expected progress in each of reading, writing and maths. Schools will only be classed as Coasting if in 2016 the above is satisfied and additionally a) fewer than 85% of children achieved the new expected standard in reading, writing and maths and b) is below sufficient progress which will be announced by the DfE in the Autumn.

4 In the absence of any National Disadvantaged data the Gap here has been calculated taking the Schools Disadvantaged cohort compared to the Warwickshire Non-Disadvantaged cohort. This is **not** how Ofsted and the DfE will calculate the Gap, therefore this Gap data should only be used as a guide.

Progress data is not yet available to the LA. You can view your schools progress data via the KS2 Performance Tables checking exercise website:
