Butterfly Farm Visit

On Thursday, Y2 visited
Stratford Butterfly Farm.

The visit was full of awe
and wonder!

Look carefully! Can you
spot the butterfly on
Vishruth's jacket?

The children consolidated their understanding of the butterfly lifecycle.

Y2 also enjoyed a relaxing cruise on the River Avon.

Butterfly Farm Visit

They also visited The Royal Shakespeare Theatre where they were given special access to the tower!

They went right to the top of the tower and could see the whole of Stratford spread before them. It was beautiful!

District Athletics

A special message from Mr Lee, our PE Subject Leader:

A big well done to all 44 Sydenham superstars who represented the school at last week's athletics competition at Campion. Amazingly, 19 children were then selected to represent Leamington against other areas this week at Edmonscode track. We won lots of certificates and I'm proud of everyone who took part.

Y6 RSC Session

On Wednesday, Y6 were visited by a Director Mentor from the Royal Shakespeare Company who helped each class to shape a performance based on "Much Ado About Nothing." Their performances will be filmed as part of the RSC Playmaking Festival and can also be seen live, at school, by Y6 parents on June 29th.

Y3: Art in the Park

This year, we are hosting a pop-up art gallery at “Art in the Park” along with two other local primary schools. On Thursday, pupils from Sydenham, Clapham Terrace and St Patrick’s primary schools worked with print artist, Clodagh, to generate work for the gallery. Children in Y4 and Y5 will also participate over the coming weeks. The gallery will be open on August 13th/14th in Jephson Gardens so please pop along and take a look.

Fire Service Visit

On Friday, The Fire and Rescue Service paid a visit to Year Five and Year One. The fire officers explained how they do their jobs and the safety equipment they use. They also talked to pupils about the dangers of fire and how families can stay safe, for example, by installing smoke detectors in their homes.

The Island's Blanket

The island's blanket is made of silky sand
And golden mermaid's hair.
We see falling, tumbling coconuts there.

The island's blanket is made of snappy crabs
And soft, smooth seaweed.
It keeps us safe.

(Suraya, Ramneek, Alistair)

The island's blanket is made of mossy cliffs
And loud crashing waves.
We see the dark rocky caves.

The island's blanket is made of creamy coconuts
And tall palm trees.
It keeps us cool.

(Scarlett, Zara, Jake, Artur)

The island's blanket is made of fluffy clouds
And hard, rough rocks.
We see the blowing wind.

The island's blanket is made of pinching crabs
And sharp, silky shells.
It keeps us well.

(Kiranpreet, Noah, Nathan, Tharika)

The island's blanket is made of scary cliffs
And tall, rough palm trees in the air.
We see a thousand seagulls there.

The island's blanket is made of dancing whales
And hard, hairy coconuts.
The trees keep us hidden.

(Henry, Zuzanna, Tia, Demir, Aykam)

The island's blanket is made of camouflaged, colourful chameleons
And rocky cliffs up high.
We see coconuts fall from the sky.

The island's blanket is made of seagulls scavenging
And tall palm trees.
It keeps us cool with its breeze.

(Jack, Lilybelle, Eleanor, Bea, Vishruth, Ben)

Y2 have been
