

Welcome Back!

Y6 are happy to be back.

It's been wonderful to see pupils in Year Six and Year One return to school this week. The children's smiling faces and enthusiasm have really lit up the school and reminded us why we all love our jobs so much. The children seem very happy to be back in class and are enjoying learning and seeing their friends. Thank you to all the parents and carers visiting the site for making drop off and pick up times run so smoothly by following our one-way system and respecting the two metre distancing rule. We would like to extend our best wishes to Year One and Year Six families who have chosen to keep their children at home—we understand and respect your decision that the time is not yet right for a return to school.

Because the government have advised us to keep children in socially distanced "bubbles," staff are now needed in school to teach lessons. However, this doesn't mean that we have forgotten about the children still learning from home. As explained in the handbook you received, teachers will continue to set home learning tasks although, regrettably, they will not be able to offer the same level of feedback as before. We know it remains difficult to be both parent and teacher and are keen to continue to support you in whatever ways we are able. Thank you for your continued patience and understanding.

Y1 enjoy a Joe Wicks workout, handwriting and snack time.

It's lovely to see you.

Happy Eid

As Ramadan drew to a close over the half-term holiday, some of our families celebrated Eid al-Fitr. Eid marks the end of a month of fasting from dawn to sunset, as well as spiritual reflection and prayer. Families exchange gifts and share food, especially sweet treats! If you celebrated Eid, we hope you had a wonderful time.

Eid Mubarak

Look Who's Back!

We are thrilled to have welcomed Mrs Harrad back this week from her maternity leave. Mrs Harrad is a very experienced and much loved member of the EYFS team. She will be teaching one of the Reception "bubbles" and is looking forward to meeting the children in her group on Monday. We know that the children will really benefit from her expertise and care.

KS2 Music Projects

Mrs Murphy was very pleased that so many children managed to send in music projects last half term. She has marked all the projects received and given detailed feedback so hopefully everyone has heard by now.

The standard was extremely high and it was fascinating to see the range of subjects chosen. Some examples were: the Dhol, Caribbean music, Samba, Bob Marley, the guitar, the keyboard, Beethoven, Little Mix, drums, Bulgarian Folk Music, Classical Sikh Music, Queen, Portuguese Fado Music, the flute, the music of Jamaica, the violin, the electric guitar, Stormzy, Lewis Capaldi, Lithuanian Folk Music, Italian music, Salsa, the trumpet, Freddie Mercury, Indian Classical Music, the piano and the Indian singer, Diljit Dosanjh.

Mrs Murphy has also had some lovely responses about the music links she has sent out over the last seven weeks. The favourite links seem to be link 2, the little girl playing the recorder; link 3, Mrs Murphy's Warwickshire Symphony Orchestra; link 5, children singing Nessun Dorma and link 9, opera in the school canteen!

Miss Daly's superstar this week is **Erin**. Miss Daly was super impressed with Erin's positive attitude towards returning to school on Thursday. She has blown Miss Daly away with all her hard work during school closure and it was clear to Miss Daly how hard she has worked throughout this period. She entered school with a beaming bright smile and adjusted to the new environment incredibly well. She continued her day with her smile and enjoyed spending time with her friends, laughing and playing with the new equipment provided for her "bubble." Miss Daly is very proud of how enthusiastic Erin has been and continues to be towards her learning. Keep up the great work Erin -we are all proud of you and are glad to have you back in the classroom.

A true Sydenham Superstar, this week and always!

Y6 JvS

Jasleen is the Y6 JvS superstar this week. She has written a wonderful poem about a magic door, presenting it as a beautiful book and shown a positive attitude to all her home learning tasks. Well done Jasleen for your imagination and hard work!

The Magic Door

Year Six have been inspired by Kit Wright's poem The Magic Box. They have innovated the text to create poems about a magic door...

I opened the magical door and saw fire on a candle, dancing like a ballet dancer.

I opened the magical door and saw people walking on a floating bridge.

I opened the magical door and saw unicorns flying around rainbows.

I opened the magical door and saw fairies bringing back memories.

By Jasleen Kumari (Y6 JVS)

I opened the magical door and saw a world where I could see family I haven't been able to see for what feels like ten years.

I opened the magical door and saw a rainbow which I could sit on and view joyful memories.

I opened the magical door and saw a place where my taste buds would explore with sweetness.

I opened the magical door and saw a majestic, diamond waterfall which shimmered when the beaming sunlight reflected off it.

By Muskaan Bains (Y6 JVS)

We hope to see more of you back in school as soon as you are able. Love from Miss Glenny and the Sydenham team.
