

History Detectives

Year Four made a human timeline this week to help them understand the chronological significance of the Anglo Saxons and Vikings.

Well done to the children for using their historical enquiry skills to correctly place events in the correct time order.

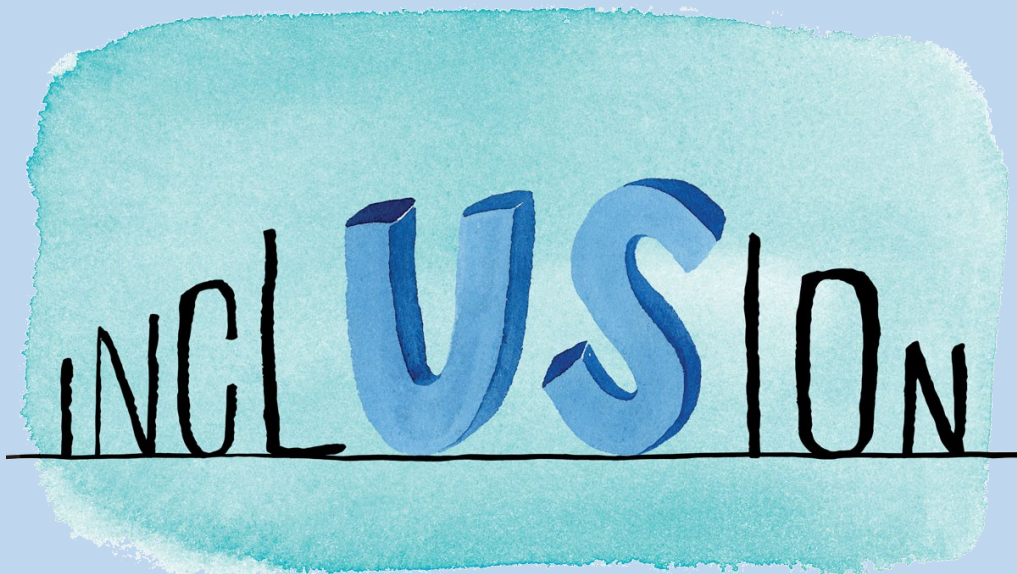

Inclusion

Miss Glenny's assembly this week was on the theme of inclusion. The children explored ideas of fairness, equality and equity and learnt that sometimes we might need to make adaptations so everybody can join in.

Tayyaba went on to write this lovely poem.

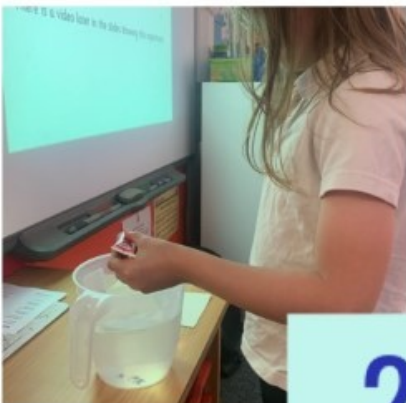

Be the inclusive person,
If you're lonely, turn that frown upside down and join in the game,
It doesn't matter what abilities we have, nobody deserves to be
apart,
Understand each other and have fun.
Let's make it fair so we can do everything together,
Do what you can to make inclusion happen.

Reading in unusual places!

A **huge thank you** to all of the families that took part in the Easter reading challenge. The photos are so lovely and I hope that you enjoy seeing all of the interesting places that the children found to read a book!

And the winners are...

Anyone who is brave enough to read in a pen of goats (I know how cheeky they can be!) or in amongst the cows being milked are deserved winners in my opinion! Well done, Keva and Maddie for your adventurous attitude towards reading over the holidays!

Handy reading strategies

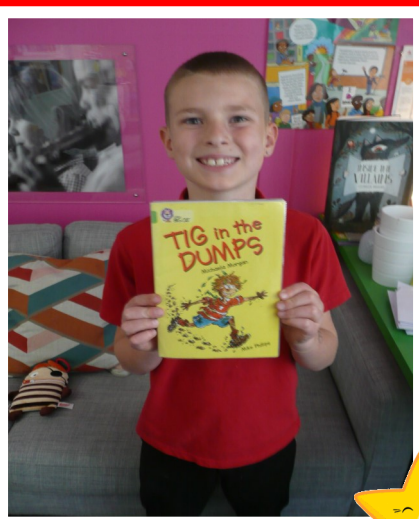

Please look out for one of these hands in your child's book bag. Tia in Year 2 has been using these strategies for a while now, and enjoys bending the fingers down to identify the ones that she has used whilst reading her book.

The hand helps me to remember to sound out a word or to look at the pictures if I am stuck. Sometimes I cut a word up into chunks and put it back together again to help. I love reading!

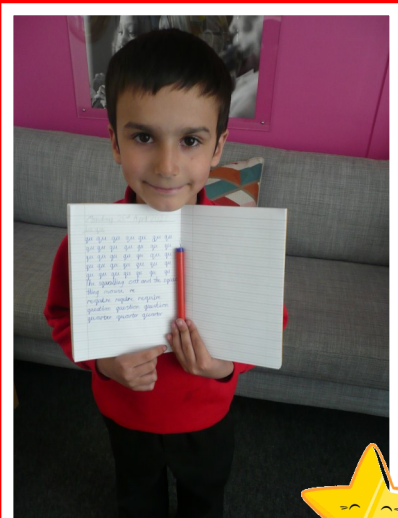

Happy reading, everyone! Miss Challand

Celebrating learning

Arron is feeling really proud this week after receiving his handwriting pen. **Well done, Arron!**

Meanwhile, Tommy has been working hard on his reading this week, and has been enjoying 'Tig of the Dump'. **Well done, Tommy!**

A Message from the Admissions Service

Warwickshire County Council (WCC) are reviewing the way parents and carers apply for a school place for their children. As part of this review, they want to understand what matters most to those involved and are asking for your feedback on using the service and Parent Portal. The information provided will help design, manage and improve the way in which this system operates.

If we could please encourage you to complete the questionnaire and help them understand what is important to you when deciding on a suitable place for your child to learn. The questionnaire will take around 5 minutes to complete and is anonymous, it asks you about your experiences and what matters to you along with some general information about your family.

Please do share as much as you can about your experience to help inform the future system to ensure the best experience for parents and carers in the future.
